BUILDING SUCCESSFUL CAREERS

Worcester is:

- **Young and smart**—thirteen colleges and universities with more than 31,000 students invigorate the city with energy.

- **Strong community**—proud of its many neighborhoods and ethnic backgrounds.

- **Affordable and easy commute**—housing and other living expenses are more affordable than other major cities in the area. Residents have ready access to interstates, major highways, and convenient rail services that connect the city with Boston and its suburbs.

- **Shrewsbury Street**—a popular area, also known as Restaurant Row, is home to more than 30 eclectic restaurants, pubs, art galleries and boutiques.

- **Fun**—the DCU Center hosts concerts, college sports, and AHL's Worcester Sharks. Across town, the Tornados play Can-Am league baseball.
